Dear Mrs. Manley:

Thanks for your letter. I am doing some booking for several independent clubs in and around D.C. and Baltimore and would like to have your club play an exhibition game at Norbeck, Md., 8 miles outside the District, while en route from Florida to Newark. How are the chances? The club they would play is the Washington Royal Giants, and if Israel is in the line-up the game could be worked into something profitable.

I have just been asked to handle the bookings, so wrote you immediately before your schedule is completed I hope. I will write more details when I am fully advised as to the setup, but can assure you that the man backing the team is okay. Please answer at my home address, 2711 Georgia Ave., N.W., Apt. 23... Washington, D.C., because of reasons which I am sure you understand. Perhaps I shall see you at the Penn Relays.

Yours truly, *Art Carter*
